Russian Imperial Court Chant  
arr. from L'vov/Bakhmetev

Soprano

The torments of Hades have en-com-passed us, and the

darkness of death co-vers us, and as wax be-fore the fire,

our days melt before the face of Thine an-ger, O Lord.

But as Thou art compassionate, remem-ber mer-cy in Thy wrath,

and spare Thy peo-ple, that being alive in repentance we may

glo - ri - fy Thee // as the on - ly Lov - er of man-kind.
